BACKGROUND CHECK

Like many other theological institutions, Louisville Seminary requires background checks for all applicants to our degree programs. This policy has been adopted to address the safety and well-being both of our Seminary community and of the churches, agencies, and other institutions that our students serve. The Admissions Committee may consider the impact of any offenses disclosed in these checks as possible grounds for denial of admission.

About CastleBranch.com

CastleBranch.com is a service that allows students to order their own background checks online. Information collected through CastleBranch.com is secure, tamper-proof, and kept confidential. The services performed are based on guidelines provided by Louisville Seminary, so you know you will receive all the information you need from one source. Your results will be posted on the CastleBranch.com website where you as well as the seminary can view them.

Required Personal Information

- In addition to entering your full name and date of birth, you will be asked for your social security number, current address, phone number and email address.

Payment Information

- At the end of the online order process, you will be prompted to enter your Visa or Mastercard information. Money orders are also accepted but will result in an additional \$10 fee and increased turnaround time.

Go to: www.CastleBranch.com, click on “**Place Order**” and enter our package code: **LB88**. The fee for the background check is \$45.

After placing your order on CastleBranch.com, you will receive a confirmation email that will contain the password needed to access your results and view any missing information required to process your order. The Admissions office at Louisville Seminary will also securely view your results online with our unique username and password.

For PC(USA) applications only – If you are also applying to any of these PC(USA) seminaries, you only have to submit one background request form and fee: Pittsburgh, Union (Richmond or Charlotte campus), Dubuque, or Austin. Be sure to provide access rights to each of the PC(USA) seminaries for which you are applying.
